Title: OCC Supplier Registration Form

OMB Number: 1557-0316.

Frequency of Response: On occasion.

Affected Public: Business or other for-profit.

Estimated Number of Respondents: 200.

Estimated Total Annual Burden Hours: 33 hours.

Abstract: Section 342 of the Dodd-Frank Wall Street Reform and Consumer Protection Act (Dodd-Frank) requires the OCC to develop and implement standards and procedures to ensure, to the maximum extent possible, the fair inclusion and utilization of minorities, women, and minority-owned and women-owned businesses in all business and activities of the agency at all levels, including procurement, insurance, and all types of contracts² and to develop standards for coordinating technical assistance to such businesses.³

In order to comply with the Congressional mandate to develop standards for the fair inclusion and utilization of minority- and women-owned businesses and to provide effective technical assistance to these businesses, the OCC developed an on-going system to collect up-to-date contact information and capabilities statements from potential suppliers. This information allows the OCC to update and enhance its internal database of interested minority- and women-owned businesses. This information also allows the OCC to measure the effectiveness of its technical assistance and outreach efforts and to target areas where additional outreach efforts are necessary.
